FIRE SAFETY

PENTAGON 1 · THE PENTAGON, PLOT 5, TECHNOPOLE, EBÈNE

IF YOU DISCOVER A FIRE

1. Shout a warning and press the nearest red break-glass call point.
2. Call the Fire and Rescue Service on 115 — say: “Fire at Pentagon 1, Ebène”, your floor, and whether anyone is trapped.
3. Get out by the nearest stairs. Fight the fire ONLY if it is tiny and you are sure of your escape route — otherwise leave.

IF YOU HEAR THE ALARM

- Leave immediately by the nearest stairway — WALK, do not run.
- Do NOT use the lift. Do not stop to collect belongings.
- Close doors behind you. Do not lock them.
- Go to the assembly point and stay there for roll call.
- Do NOT re-enter until the Fire Service or the Syndic says so.

NEVER **use the lift · re-enter the building · use water on an electrical fire**
